## PROFESSIONAL AFFILIATIONS

- Organization of American Historians
- American Historical Association
- North American Society for Sport History

## FIELDS OF INTEREST

- United States
- U.S. Popular Culture
- U.S. Political
- U.S. Sport / Global Sport
- Gender / American Masculinity
- Military History / World Wars in Twentieth Century

## CURRENT INTERESTS & ACTIVITIES

In addition to finishing work on my dissertation, I have a number of projects currently underway or in early conceptual stages:

- “Sun and Steel” -- An urban, political and cultural history of the 1970s through the lens of the Pittsburgh – Dallas football rivalry. Exploring the tensions between the emerging Sun Belt and the “Rust Belt”
- “Moving Day” A history of “the move” in American life, exploring the meaning of moving, the influence of trading spaces and communities on American society and culture.
